Saturday, July 17, Rockwood 2000 members met at the *Parson's Rest* for an all-day brainstorm session to develop their next 5-year plan for community education, beautification and historic preservation of Rockwood. The volunteer organization is responsible for, among other things, the restoration of the 1936 Tennessee Highway Patrol Museum, the Redbud trees along Gateway Avenue, and a \$500 college scholarship to the winner of the Miss Fall Festival contest in Rockwood. Ron Berry, a long-standing member, spoke highly of the late Judy Wassom. Judy was instrumental in establishing Rockwood 2000 back in 1991, and the organization is determined to carry on her vision and mission.
